I would try calling him again. If you don't hear back from him in the next day or two try stopping by during the week.

I will get back to you on the safety refresher.

Good Morning Mark,

Received your e-mail on Meleens, I have not heard back from Chip Frederickson, do you want me to call again or stop over there?

Also attached is the subjects for the 8 hr. safety refresher I have to do for the NPDES program, will it suffice for the UST safety refresher?

Thanks,

Scott

**Subject:** Mille Lacs Compliance Assistance Request for May

Hi Keith

Do you know the status of our compliance assistance request that we submitted for April? There were a total of 3 sites on two requests. The MnDot project is now scheduled to begin on Monday 4/29/2013. Also I am attaching compliance assistance requests for the month of May for the same 3 sites. Could you also send out the modules that we need to complete for the 8 hour health and safety training refresher.

Thanks

Ryan
